

PRESIDENTIAL PRIMARY ELECTION

FEBRUARY 9, 2016

Election Information/Facts

This is to clarify some of the misconceptions regarding voting at a Primary Election.

1. All citizens can vote at the upcoming Presidential Primary Election if they meet the following requirements:
 - You must be 18 years of age
 - You must be a United States Citizen
 - You must be domiciled in the City/Town you wish to vote in.
2. An UNDECLARED (Independent) person definitely CAN vote at a Primary. They just need to declare which ballot they want on Election Day. Undeclared voters are the only ones who can switch back to UNDECLARED after they vote on Election Day all others need to go to the City Clerk's Office after the election.
3. Changes for Party Affiliation are only accepted up to 90 days before a Primary Election. Party changes cannot be accepted after the 90 day deadline. The deadline for the upcoming Presidential Primary Election was October 30, 2015.
4. If you write-in a candidate who is not from the same party as the ballot you receive, the vote will not count for that candidate. For example, if you have a Democratic ballot and you write in the name of a Republican candidate in the write-in section of the ballot, your vote will not count for that candidate.
5. NH has same day voter registration. You can register and vote at the polls on Election Day. You will need to provide positive ID and proof of where you live such as a Driver License or Non-Driver ID. Other acceptable forms of ID are listed on the City web site: www.berlinnh.gov under Election Information.
6. You must vote where you live on Election Day. If you intend to move or are in the process of moving, you must vote in the precinct where you live on Election Day not where you intend or formerly lived. A list of streets and voting precincts is available on the City web site www.berlinnh.gov under Election Information. Or call the City Clerk Office to find out where you need to go to vote.
7. If you choose not to vote at the February 9, 2016 Presidential Primary Election, you are still eligible to vote at the General Election in November.

If you would like to find out what party affiliation you currently are or if you have any questions whatsoever, please do not hesitate to call the City Clerk 752-2340 during business hours.
